**WIN  
£30  
HIGH STREET  
VOUCHERS**

We believe that people love the places where they live and we'd like to help celebrate this by producing a FREE neighbourhood calendar. What will make the calendars special is that they will include photographs of your area, taken by people who live or work there. What would you take a picture of? A garden, a corner shop, the local high street or a community centre...it's up to you. What would you choose to celebrate? Is there something you would like to change? When you've taken your photos send them to us at [info-clahrc-nwc@nihr.ac.uk](mailto:info-clahrc-nwc@nihr.ac.uk) The photos will be judged by an independent panel and some will be printed in your neighbourhood calendar. An overall winner will receive **£30 worth of high street shopping vouchers**.

The deadline for entry into the competition is  
**Friday 29 July**

## Steps to enter

1. Take a photograph of something you like about your local community. (e.g. green spaces, community activities, events or local sport clubs). Be creative, be imaginative and be proud of it!
2. Take a photograph of something you dislike about your local community (e.g. an eyesore, derelict area or area of neglect) and tell us what benefit you feel it would bring if it was changed or improved for the better. Let your ideas flow.
3. Email the two images to [info-clahrc-nwc@nihr.ac.uk](mailto:info-clahrc-nwc@nihr.ac.uk) labelled Like and Dislike. Just let us know your first name and the town or district in which you live.
4. That's it. A selection of Like Photos will appear in the community calendar with a credit e.g. (Photo by Darren, Blackpool). Your picture suggestions for improvement will be collated and shared with stakeholders working on our Supporting Neighbourhood Resilience Initiative.
5. Thank you for taking part. Our terms and conditions are available at [www.clahrc-nwc.nihr.ac.uk/photocom](http://www.clahrc-nwc.nihr.ac.uk/photocom)
