

# TELL US WHAT YOU THINK? SEE OVERLEAF.

## VICKERS WAY PARK

revision a

**Public Conveniences**  
convert old WC's into storage facility for park staff (whilst retaining some washing facilities for use by staff)

**Trees**  
Information about existing unusual trees and shrubs around the park. Potential to have tree trail leaflets or posts that form an activity for children and visitors. Any new trees to be chosen with the aim of creating a mini arboretum

**Bowling Green**  
encourage more use of green by arranging sessions for children and young people; tournaments during summer months for local people or between schools. Existing uneven flagged paths to be replaced with new macadam paths to give better access for all

**Cafe**  
potential to replace existing structure or extend existing cafe to incorporate toilet facilities and a larger dining area with facilities to cater for groups and clubs such as bowling and tennis groups

**Artefacts**  
interpretation of old artefacts, signs and pieces of stone - about where they came from and their history

**Boundary Trees**  
Existing boundary trees (mainly lombardy poplars) to be taken down (due to disease) and replaced with smaller species that provide year round interest with blossom, fruits and colourful bark

**Formal beds**  
Some formal beds to be removed and turfed over or planting replaced with low maintenance perennials to reduce maintenance costs so expertise and time can be focussed on other parts of the park. This work is already underway

**New Fitness Area**  
new gym equipment recently installed. Fencing and hedgerow to be removed to make area more welcoming

**Picnic Area**  
additional picnic tables installed to create picnic area and informal kick about/run about area for toddlers

**Animal Enclosures**  
replace old animal enclosures with smaller runs where children can get closer to the animals. Include for new signage and interpretation with information about the animals and their names. Aviary to be retained

**Paths**  
all paths to be relaid with new tarmac surface and new concrete edgings to make maintenance and mowing easier

**Play Area**  
replace old equipment (such as round climbing frame, toddler swings, slide and junior swings) with new equipment to make the play area more challenging. New equipment to include springers and basket swing with colourful rubber safety surfacing

Equipment List	Equipment List
1. New play equipment	1. New play equipment
2. New picnic tables	2. New picnic tables
3. New fitness equipment	3. New fitness equipment
4. New path surfacing	4. New path surfacing

PROJECT CODE 142	ISSUE

# Vickersway Park

The local community surrounding Vickersway Park want to improve it.

Community consultation continues through attending events, questionnaires and using social media. From these consultations a more detailed concept design has been produced—see overleaf.

Please look at the design and complete the short survey below. We will use this information to change and adapt the plans to suit the general needs of local residents and **try to** seek the funding required. **Please note: Funds are not guaranteed.** In completing this survey you will be automatically entered into a prize draw for high street vouchers worth £20 if pass on your details.

1. What do you **like** about the plan?
2. What do you **dislike** about the plan?
3. What **changes** would you make to the plan?
4. Do you have any further **suggestions**?

Please fill in your contact details here so we can inform you of any developments and enter you into the prize draw.
