1	I was hoping there would be a path that would go around the park area so my son should do loops on his bike safely but that's all	8/26/2020 10:55 AM
2	The zip line would have been fabulous.	8/25/2020 8:49 PM
3	The toddler slide is a bit small even for toddlers and To short to slide	8/25/2020 8:07 PM
4	Although I didn't see the planning as only moved into the area quite recently	8/25/2020 8:04 PM
5	Think this is a fantastic new facility for the younger generation of the local community. As an adult I find that the woodland area is lovely. The accessible areas of the park will also provide assess for many whom would otherwise be excluded.	8/25/2020 7:58 PM
6	The park is amazing and was much needed for the community Thankyou	8/25/2020 7:48 PM
7	More so - with the link to the cycle route!	8/25/2020 7:18 PM
8	It's beautiful	8/25/2020 6:41 PM
9	Playground aimed at very young children. Not enough there for anyone over 7	8/25/2020 6:21 PM
10	I'd of expected a gate maybe so that was little safer for younger children on and of the park	8/25/2020 5:21 PM
11	Too many of the same sort of play equipment (spinning equipment) not enough bins, flooring uneven for younger children. But overall is a good park.	8/25/2020 5:13 PM
12	Dog pooh bin was removed	8/25/2020 5:07 PM
13	seems to have been done cheap, the femce should in my opinion go around the all weather surface to stop dogs etc going on. Also the surrounding park area could have been vastly improved and the football pitch section is just inadequate. Not only the surface but the position of it in regards to the wall and drop into the area behind the corn mill. Asking for a child to be hurt retrieving a ball	8/25/2020 3:00 PM
14	There was talk of a zip line and I was hoping the play area itself would be completely fenced off to stop dogs coming into the play area but overall it's a great improvement	8/25/2020 2:57 PM
15	I was hoping for an all weather play area for the football. I understand this isn't possible presently due to funding but I hope it will happen in the future	8/25/2020 2:51 PM

7	It's 100% better nice to see being used again	8/25/2020 5:21 PM
8	Park has been full each time I've drove past and actually played.	8/25/2020 5:13 PM

10	So much better	8/25/2020 2:51 PM

2	Love the reading area. Thank you for all the hard work that went into this project	8/28/2020 9:06 AM
3	dont understand Why? it was dedicated to one family in area who lost a child, more families in village have lost children not just one, think plaque, should not have been installed in childrens play area, a little hard for other families who have lost children, and not right place for kiddies to see in playarea, we have graveyards and cemeteries for that SORRY DOES NOT SIT RIGHT WITH ME	8/27/2020 10:21 PM
4	We love the new play area! My only concern is the steps on the smaller slide. They're very spaced out and toddlers are struggling to climb them. I've seen a few fall through the gaps, as the spaces are just too big! Otherwise, no complaints! We love it!	8/26/2020 7:35 AM
5	The posts with fauna plaques on are really lovely, it's a shame only one of them appears to be in front of the tree/plant it represents! It feels as though they were hastily put in without much thought as to their location. The contractors have also ruined what used to be a accessible pathways to the top of the hill both on the playground side and on the opposite side of the bridge over the stream further up Northfield Road.	8/25/2020 8:49 PM
6	Just to say a fabulous job done in area that needed it's okay area updating and made safer and more attractive. Excellent job. Also the workers were also hardworking and polite.	8/25/2020 8:36 PM
7	Missing a zip wire. A bigger slide is needed and higher swings fir older kids	8/25/2020 8:07 PM
8	I wondered if the playground was going to be secured all the way round with gates at the entrances.	8/25/2020 8:04 PM
9	Really hoping that more is to come as there's further potential in the area once funding permits.	8/25/2020 7:58 PM
10	The park Is a credit to all who was involved in the transformation. I can now take my children to play and have fun locally rather than having to travel. Thankyou to all involved it's brilliant.	8/25/2020 7:48 PM
11	Thanks so much it's great!	8/25/2020 7:18 PM
12	Excellent project.	8/25/2020 6:46 PM
13	Improvement on before but a little disappointed.	8/25/2020 6:21 PM
14	Thank you	8/25/2020 6:18 PM
15	there is still a lot of trees and grass area a sunken trampoline would be a good thing to have and a zip wire also I thought all the knotweed would have been treated	8/25/2020 5:07 PM
16	The playground has been very well thought out and well done.	8/25/2020 3:32 PM
17	A little bit more attention to detail and investment would have made it more secure going forward. I feel it will not last the test of time amd could have been so much better. Although I dont know the financial restraints so its just an opinion	8/25/2020 3:00 PM
18	As mentioned an all weather all sports caged area would be amazing For the future but it's a brilliant place now. Thanks to all concerned for their hard work and planning. It's fantastic.	8/25/2020 2:51 PM
