

GAME STREET CAR PARK

288/GSCP/SK01
Dec 2024

Wheeled Sports
potential to work alongside local young people to design a new wheeled sports / pump track facility as part of a future phase of the project - funding permitting
Also option to create new artwork for the wall which surrounds the youth provision area, such as images of Great Harwood past and present or new murals

Entrance Signage
new entrance signage at car park entrance and include for directional 'You Are Here' signage pointing out points of interest in the town
Also include for directional car park highway signage to the car park from Queen Street and Blackburn Road
Planting beds to be replanted with low growing evergreen shrubs for year round interest

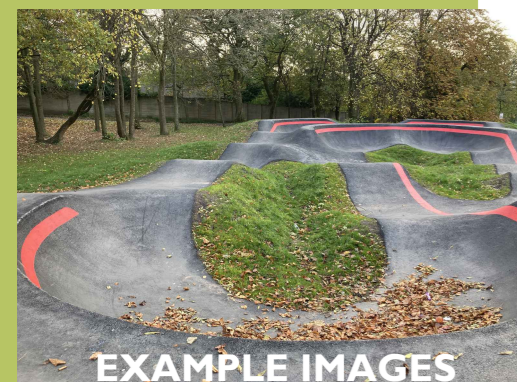

Boundaries
liaise with adjacent residents and landowners to look to repairing and replacing boundaries along the eastern edge of the car park

Motorcycle Parking
potential to create additional spaces for motorcycles and bicycles if required

Traffic Calming
assess potential for traffic calming measures within the car park to slow traffic movement and limit the 'cut through/rat run' between Glebe Street and Blackburn Road

Boundary Fencing and Entrance
repair and replace damaged sections of boundary fence
Installation of new signage to car park to direct visitors

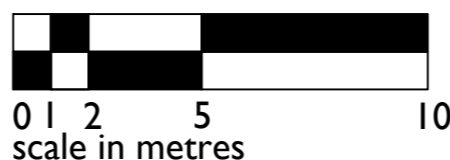

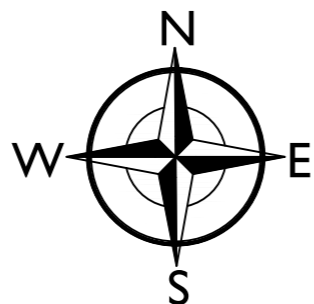

Car Parking
extend existing car park onto site of former garages to create 21 new spaces
New small trees planted along boundary, underplanted with wildflowers
new ornamental shrub beds planted at edges of car parking bays
Assess if additional lighting columns are required and if so, where the best location is to ensure maximum benefit

Please scan this QR code and leave feedback on a very short survey about the proposals
