

# Family Fun Day & Celebration Event - Friday 20 February 2015 @ 1.00 pm - 4.00 pm

This event has been organised as part of our half-term programme. The Mayor is coming to help us celebrate Hargher Clough Park becoming Burnley's newest park. We hope you'll come along to help us make it a day to remember. Activities include:

- Bouncy Castle
- Skateboarding training sessions
- Family Orienteering Challenge
- Dance Displays & Music
- CALICO Craft & Colouring Activities
- Burnley FC Football Activities
- GetIn2 Sport Girl's Rounders
- Tree planting & building insect houses
- Army activities
- Consultation on Phase 2 of improvements (wheeled sports, adventure play & food growing area) & park volunteer recruitment
- Doctor Bike free bike repair session so bring yours along for some help!

Activities are for all the family & are FREE. We need you to tell us what you'd like to see in Phase 2 of the improvements, because lots of community support will increase our chances of getting the funding we need! We're also looking for local people who'd like to become part of a team of park volunteers, who will help us develop activities & make best use of the facilities.

We look forward to seeing you there & please bring your family & friends with you.
