

HELMSHORE MEMORIAL PARK/ SNIGHOLE PLAY AREA SKETCH DESIGN

new swings with 2 cradle seats and 2 flat seats (age 4-10)

toddler multi play unit (age 3-8)

seesaw (age 2-8)

small roundabout (age 2-10)

existing springles refurbished and reinstalled (age 3-10)

sand filled 'carpet' in toddler area and beneath junior equipment

New Entrance
to be created through existing hedgerow to encourage access to the play area via the Memorial Gardens rather than the narrow road with new signage designed by local schools

Picnic area
new picnic tables installed at new play area entrance close to all play equipment. Memorial bench to be relocated

Junior Equipment
new equipment for juniors to be decided - likely to include items such as basket swing, zip wire and if the budget permits a unique and innovative climbing unit

Drainage
new drainage installed beneath and around play area that connect to existing outlets to River Ogden. Exact layout and design to be agreed on site with RBC and the Environment Agency

Tree works (PROVISIONAL ITEM, BUDGET DEPENDENT)
potential to undertake tree works to fell and remove trees that are growing along river bank threatening stability of the wall

Natural Play/Sculpture (PROVISIONAL ITEM, BUDGET DEPENDENT)
opportunities for natural play in the form of hollowed logs or chainsaw sculptures along the new paths

Paths
creation of new paths between the play equipment and around the site at 1.5m wide that can be used for children learning to cycle

Main Entrance (PROVISIONAL ITEM, BUDGET DEPENDENT)
new traditional/formal entrance sign for Helmsshore Memorial Gardens if budget permits.

Tree Works
small amount of crown lifting and pruning of shrubs where required for maintenance and to ensure park feels open and inviting

Seating/Trees
opportunities for the community, groups or individuals to sponsor seats or trees in the Memorial Gardens

Original Entrance
current entrance to play area to be closed and a new hedgerow planted to encourage safer pedestrian access through Memorial Garden away from narrow access road

Toddler Play Area
existing equipment to be removed and replaced with fenced, fully surfaced toddler play area that caters for under 10's. Exact equipment to be determined through tender process but likely to include swings, roundabout, springles, seesaw and climbing frame as well as seating and litter bins

Timber Trim Trail
new grass mat surfacing to be retrospectively installed beneath trim trail surfacing to stop mud from ground transferring to equipment

Kick about area
new 5 a side kick about area to be marked out (30x20m) and new drains installed into River Ogden (using existing outlets if possible) making ground more useable for more of the year. Exact layout and design to be agreed on site

Picnic tables (PROVISIONAL ITEM, BUDGET DEPENDENT)
new picnic tables with grass mat surfacing installed along path edges

Dogs Only Area (PROVISIONAL ITEM, BUDGET DEPENDENT)
potential to create fenced off area where dogs are allowed off the lead

example of formal signage for main entrance (budget depending)

suggested zipwire (age 5+)

log carvings along path

informal natural play

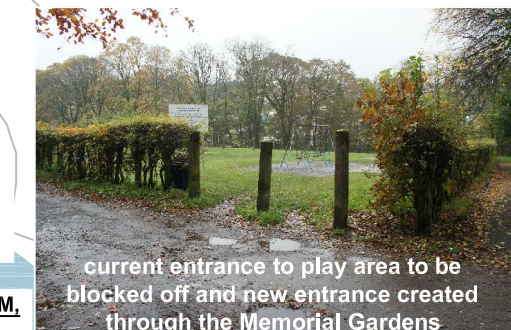

single point swing (age 8+)

picnic tables installed in wider play area (budget depending)

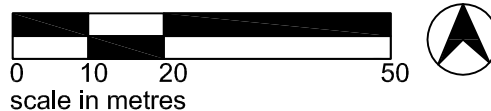

grass mat surfacing beneath the existing trim trail

current entrance to play area to be blocked off and new entrance created through the Memorial Gardens

proposed new signage at main entrance (budget permitting) and trees cut back to create welcoming entrance

Notes
1) Figured dimensions to be taken. Do not scale dimensions. Contractors must verify all dimensions on site before preparing shop drawings or commencing any work.
