# Western Park

(Stacksteads)

**Stacksteads Countryside Park Group** are applying for grants to resurface the ball court area of Western Park (including better drainage). We also want to try and provide more play equipment for older children, however we cannot guarantee we will be successful but we need your help to apply.

Please look at the plan on the other side of this survey and complete the questions below. We will then use this information to adapt the plans to suit the needs of the users of the park and local residents.

1. Do you, your family or friends currently visit Western Park?

Please circle                      Yes                      No

Please say what for or if not why not? \_\_\_\_\_

\_\_\_\_\_

2. Please **refer to the plan** and listed improvements below. Please circle yes or no with each of the intended improvements:

- |   |     |    |
|---|-----|----|
| • Improved drainage with artificial grass surface ball court area | Yes | No |
| • Improved fencing around ball court area to restrict the ball    | Yes | No |
| • Wildflower meadow area  | Yes | No |
| • Crown lifting of trees  | Yes | No |

3. We would like to provide more play equipment for older children though funds may be limited for this. What would be your **preferred** type of equipment? (Examples over the page)

Standard / traditional climbing frame

Space net / spider net climbing frame

Zip line

Single point / basket type swing

Other please state: \_\_\_\_\_

4. Would you like to be **involved with** the project?

By joining Stacksteads Countryside Park Group

Helping out at one off activities

Receiving updates / letters

Other (Please state) \_\_\_\_\_

5. Please refer to the design on the other side of this survey. Do you have any other suggestions for improving the site?
